To “Shine” means that what you do stands out above the rest. Whatever your goals may be, if you keep working to reach them the better you will become. Keep trying and you will succeed. You will find that you are capable of achieving things above and beyond what you thought you could do.

With your group come up with several “Bright Ideas” of activities you would like to do this year in Girl Scouts. Be sure everyone gets a chance to share their ideas.

Decide on three or four “Bright Ideas” that everyone would like to do. Write those ideas in the box below. Then use the Budget Worksheet to determine the proceeds you will need to make your ideas “Shine”.

List a few bright ideas of activities you would like to do with your group this year.
